

# FRENCH-SWEDISH INNOVATION FORUM

STOCKHOLM, MAY 21<sup>ST</sup> 2019

## Pan-European collaborations - the vision of a scale up continent

*It's time to give our European start-ups the means to scale up and become global unicorns. We need to build stronger bridges and networks between France and Sweden.*

### Purpose

- Strengthen the links between the French and Swedish innovation ecosystem
- Discuss challenges and opportunities of Europe as a scale-up continent
- Exchange French-Swedish best practices in financing and innovation
- Create a meeting place for European investors and Swedish / French entrepreneurs
- Increase Swedish and French co-investments in innovation

### Target

Entrepreneurs, Startups and Tech communities in Stockholm, French start-ups with an interest in the Nordics, French & Swedish corporates, European VC's, Crowdfunding ICO, growth capital and investors and other relevant European stakeholders within innovation and financing

### Half-day program and activities

- Keynotes
- Panel discussions with Q&A's
- Exclusive Swedish-French networking possibilities, coffee breaks, networking lunch, forum etc.
- One to one meetings between investors and start-ups
- Ends with a networking lunch

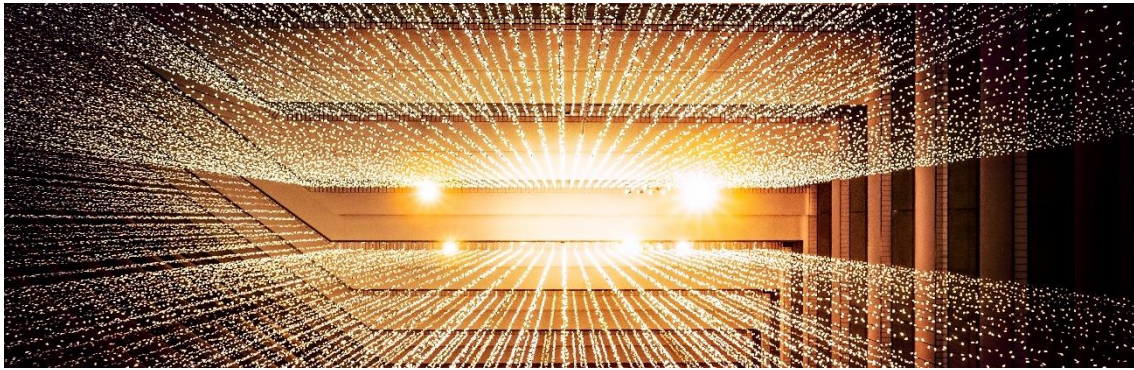

### Themes - Panel discussions

*Is there a French, Swedish or European way of financing innovation?*

Discussion between French and Swedish investors, financial stakeholders and corporates: challenges, opportunities, trends and responsibility

*Is there a French, Swedish or European startup way of life?*

Discussion and exchanges in best-practice between French and Swedish entrepreneurs and corporates Strengths and weaknesses France, Sweden and Europe.
