Innovation industrielle pour une croissance durable

Industrial innovation for a sustainable growth

Tetra Pak is awarded the Prix d'Excellence 2021

The Swedish Chamber of Commerce in France awards Swedish companies which have especially distinguished themselves for their performances on the French market with the company award "Prix d'Excellence".

Tetra Pak wins the Prix d'Excellence 2021 for its innovative cutting-edge strategy, R&D and commitment for a sustainable development in the industrial area, its particularly strong engagements in France and major new French industrial investment of nearly 100 million Euros, announced at Choose France in June 2021.

About Tetra Pak:

Tetra Pak is a world leading food processing and packaging solutions company. Working closely with its customers and suppliers, Tetra Pak provides safe, innovative and environmentally sound products that each day meet the needs of hundreds of millions of people in more than 160 countries. With more than 25,000 employees around the world, Tetra Pak believes in responsible industry leadership and a sustainable approach to business. Tetra Pak's promise "PROTECTS WHAT'S GOOD™," reflects the company's vision to commit to making food safe and available, everywhere.

At Tetra Pak, a circular approach is taken to the design of food packages to optimise the use of resources along the packaging value chain. That's why Tetra Pak is focusing on renewable materials, recycled material, sustainable openings and ensuring its food packages are designed for recycling.
